## SRC comparisons

Reviewed 2019, 2021, 2022 highlights (2016 was the biggest at ~130)

## In-Person format

- Start in the morning > keynote > ~6-8 oral presenters > lunch > poster sessions in A300
- Traditionally completed projects but will accept partial research (must be research and not just ideas)
- No limit on posters
- No virtual component to the event, all in-person
- If you have a special guest (e.g. industry contact) you would like to invite, send to Dr. Parker

## Guidelines

- Reviewed dates
- Will send guidelines in December and in January (after start of semester)
- Department Chair signature optional; department decides if required
- Faculty must sign poster approval form for all printing requests. Only 1 poster template accepted – 1-slide format
- Dr. Connors will conduct 1 of 2 in-person poster workshops

- Oral auditions and rehearsals will be in-person; Dr. Veeramoothoo will decide format of consultations
