

WRC Effectiveness 2017-2021

The graph below illustrates the effectiveness of the Writing & Reading Center from 2017-2021; the data consists of eight semesters.

Key Takeaways:

- The courses summarized in these graphs are English 1300, English 1301, and English 1302.
- Students who attended tutoring outperformed those who did not. This has become truer each academic year as the gap between the groups has widened.
- On average, students who attended tutoring during this period earned a 2.6 GPA in their course; if they attended 3 or more sessions, they earned a 2.7 GPA, and if they did not attend tutoring, they earned a 1.91 GPA.
- On average, 83% of students who attended tutoring earned a C or higher; 87% of students who attended 3 or more sessions earned a C or higher, and 62% of students who did not attend tutoring earned a C or higher.
